How can I support the Friends?

Book Donations

The Friends of the Library will accept donations of books, DVDs, audiobooks on CD, music CDs, games, and puzzles at Zauel and Butman-Fish branches. No appointment is needed, but please call ahead if it will be a large donation. Our book sales rely on these donations, so please spread the word!

Book Sales

Our book sales are how we make most of the money that we then use to support the library's programs, collections, and even the millage campaign! Join us at both our spring and autumn sales at the Butman-Fish and Zauel branches.

Donate to Books for Babies

Our Books for Babies program aims to provide high quality board books for as many of the children born at Covenant Hospital as possible. To date, we've provided over 10,000 books, and with your help, we hope to reach even more. We welcome your donation, and encourage you to stop by the Saginaw Farmers Market for our book sale during the summer months.

What is a Friend of the Library?

The Friends of the Public Libraries of Saginaw are a group of advocates and volunteers who love our libraries!

We invest in the success of our community by supporting and helping to fund library programs, services, and amenities for children, families, teens, and adults.

Every little bit helps!

Money raised by the Friends through memberships, book sales, and other fundraising activities helps to fund a wide variety of Library projects, including...

- Summer Reading programs
- Special events and presenters
- Library furnishings
- Book club books
- Storytime activities
- Support of Hoopla digital collections
- Our Books for Babies initiative to provide board books to babies born at Covenant hospital

Volunteer

Support fundraising efforts and connect with other Friends by volunteering! The primary source of the funding comes from semi-annual book sales. We rely on volunteers to sort and prepare donations, set up, staff, and tear down the sales. Join us and make new connections today!
